## WHAT IS INCLUDED IN THIS OFFER?

- ✓ Sail Upgrade to Elvstrom SPS
- ✓ Composite Steering Wheels
- ✓ Florence Upholstery Upgrade
- ✓ Interior Wood Upgrade
- ✓ Interior Flooring Upgrade

(Composite steering wheel upgrade not available on the Hanse 315)

## What is a 'Typical Sailaway' price?

Rather than show you an unrealistic 'Standard' boat price, we prefer to give you a genuine idea of the price, including the most popular options selected. These options vary according to the model and in all cases include a sprayhood, heating system, navigation equipment, thrusters (on larger models) and other creature comforts. You may find that your perfect specification is lower or higher, but this is a great place to start.

'On the Water' price includes delivery to our UK Hamble Office (other locations available), Antifouling, Launching, Rigging, Commissioning, Shore Power Cable, Gas Bottle, Full Tank of Diesel, Valeting, Sea Trials and Full Handover.

**The Düsseldorf Boat Show Offer is only available until midnight on 12th February 2024.**

To qualify for the Show Offer, both first and second deposit must be paid prior to 12th February 2024, and the final specification selection must be signed off prior to the 12th February 2024. Total savings shown inc VAT.
